

Process for paying through AEA Website

Go to alohaestates.org website

Scroll down the home page to find "Pay Road Fees"

Enter your Email Address

Enter either the full 12 digit TMK # or (abbreviated) for example: (59-17) (which is shown on your invoice, before your name. This is your unique identifier in our records. This will take you to the payment amount window.

At the payment window, you may see "Zeros". You must input the amount you intend to pay. Make sure the top box has no digits in it before you enter your payment amount. Hit the back space if needed.

Please be advised that the Merchant company who facilitates payments seems to have a server which works slow. If you click on, or enter something in the payment window, give it some time to respond. Some people have had trouble after they try to put in the amount, but going slow seems to be the solution, if you have trouble.

The Next window will ask for your credit card information.

I hope this helps you to get through the process.

Please call me if you need further assistance.

Sincerely,

Janine
